Hi Sonja...We got the trial started this morning around 10. You are my last witness, but the officers before you will probably go for a good portion of the rest of the morning into the afternoon...so I expect I'll call you after lunch. If you could be here by 2-2:30 that would be great. We are in courtroom #7 on the 2nd floor, just past the elevators on the left. There are benches right outside. I'll call/email at lunch to confirm that everything is going to plan and on schedule. See you later and Thanks!

Hi Sonja...would you be available tomorrow for [REDACTED] I know this is short notice but I received a call from Judge Kinder's clerk and apparently the [REDACTED] case catapulted to the top of the list after 4 cases plead out in rapid succession. Let me know if that will work out for you. Thanks.
